emerald  
PUBLISHING

# Emerald Publishing journals portfolio

We publish mission-led research that addresses real world problems and inspires positive change in society.

- 311 titles
- Essential resource for libraries to empower future change-makers.
- Largest collection of business, management, and accounting journals.
- Quality portfolios in engineering, education, built environment, information and knowledge management, hospitality, and related fields.

# Who we are

**Rigorous:** High quality, peer-reviewed content attracting 500,000+ citations each year.

**Global:** Our author and editorial communities are based around the world and 55% of usage is from outside Europe and North America.

**Sought-after:** Over 51 million downloads in 2023.

**Influential:** Citations grow annually with an average CiteScore of 5.1 in 2023.

**Change-focused:** Content is consistently referenced in policy documents; including reports for the EU, WHO, OECD, CDC and the World Bank.

# Commitment to positive change

**Diverse voices:** We firmly believe that research is most impactful when diverse voices are included. We are proud to have been selected by The Times as one of the Top 50 Employers for Gender Equity in the UK.

**Research impact and impact literacy:** As an early DORA signatory and a supporter of The Hidden REF, we are committed to enabling healthy impact culture and equitable research assessment.

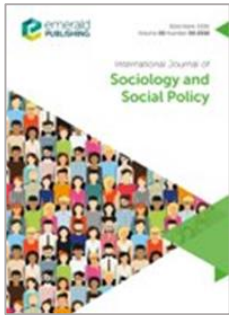

**Acting ethically and responsibly:** We were a founding signatory of the United Nations Sustainable Development Goals (UN SDGs) Publishers Compact – over 60% of our journals are mapped to at least one SDG.

**Supporting all forms of open research:** Among the few publishers offering green open access without an embargo period. Our platinum open access portfolio is approaching 80 journals.

# Addressing the SDGs

## High quality, applied content addressing the SDGs

Special issue: Old and New Challenges for Welfare Regimes: A Global Perspective

Special issue: Financial Inclusion and Social Development for a Sustainable Economic System

Special Issue: Emerging Peace Research

Special Issue: Smart Sustainable Supply Chains for Improved Environmental Quality Management

# Backfiles and annual archive

## Flexible options, one single payment, perpetual access.

- Curated collections fill the gaps in existing journal holdings.
- Options include bulk article acquisition or yearly archive segments.
- Accessible through a single payment for perpetual access.

## Backfiles

- Articles dating from 1898 to 2006.
- Some of the earliest and most influential research; put present-day theory into context.
- Reveal previously hidden research alongside your current eJournal content.
- Options: Premier or Management Portfolio

## Annual archives

- Annual segments of the eJournal archive from 2007 to 2019.
- Select only the years you need to fill gaps in your journal holdings.
- Considers volume and recency; pay less for larger volumes or older content.
- Options: Premier, Management Portfolio, and Management Core.

## Routes to eJournals content

Collection options	What is included	Access model
<b>Premier</b>	<ul style="list-style-type: none"> <li>All 311 Emerald journal titles.</li> </ul>	Perpetual access to content published during 2025 + complementary access to selected archive content for the subscription duration.
